4. OUR CUSTOMERS

The decision to gamble lies with the individual and represents a choice, and in order to properly make that choice individuals must have the opportunity to be informed.

Tathra Beach Bowling Club is committed to providing appropriate information to all individuals including those from different cultural and linguistic backgrounds, so they are able to make informed decisions consistent with their personal preferences and individual circumstances.

Tathra Beach Bowling Club takes the issue of responsible gambling very seriously and actively promotes the following initiatives to ensure all patrons to our Club are aware of such services available to them.

4.1 Self-Exclusion

ClubSafe Multi-Venue Self-Exclusion (MVSE) Program is an online system designed to enable people with a gambling problem to self-exclude from our venue as well as multiple venues around where they live, work and socialise. Tathra Beach Bowling Club will initiate self-exclusion when requested by a patron at any time during its open hours.

The ClubSafe MVSE Program removes barriers for people with a gambling problem such as the difficulty of visiting multiple venues or the embarrassment of visiting their local Club to place the exclusion and makes the process easier for a person with a gambling problem.

A patron can self-exclude by speaking to a member of the management team at the Club or by contacting a gambling help counsellor.

ClubSafe also offers self-facilitated self-exclusion. Self-facilitated self-exclusion allows patrons to exclude themselves without having to attend a gaming venue or waiting to meet with a counsellor.

The minimum period for a self-exclusion is six months. Once a patron agrees to stay away from the Club for a specific time, our venue has processes in place to help them honour that commitment.

If a patron breaches their self-exclusion, it is reported through the ClubSafe program for assessment by trained counsellors. Tathra Beach Bowling Club is considering procuring facial recognition technology to assist in identifying self-excluded patrons entering the premises.

Tathra Beach Bowling Club has an electronic sign in system (ClubNet) at reception which assists with identifying and preventing breaches of self-exclusion.

4.2 Partial Self-Exclusion

A partial self-exclusion allows a patron to exclude themselves from gambling activities at the Club such as TAB/KENO and/or gaming machines but still allows them access to other Club facilities including restaurants, bars and other entertainment.

A patron can partially self-exclude by speaking to a member of the management team at the Club or by contacting a gambling help counsellor.

ClubSafe also offers self-facilitated partial self-exclusion. Self-facilitated partial self-exclusion allows patrons to exclude themselves without having to attend a gaming venue or waiting to meet with a counsellor.

The minimum period for a partial self-exclusion is six months. Once a patron agrees to stay away from the gaming activities of the Club for a specific time, our venue has processes in place to help them honour that commitment.

If a patron breaches their partial self-exclusion, it is reported through the ClubSafe program for assessment by trained counsellors.

4.3 Counselling Services
